## Wider Achievement

Well done to Orla Montgomery in S3 who has been playing Cricket for Scotland u17 Wildcat cricket squad for the last two years and has now been selected to train with the national performance skill set.

Joe Strain in S6 has been asked to train and play rugby for Glasgow Warriors under 20s. This week he will be involved in playing against Edinburgh and Cardiff in the near future.

Well done to Tessa Nicholson and Kitty McClure who won the Future Chef competition in school and will now progress to the regional finals on the 20<sup>th</sup> of November. We wish them all the best.

## S1 Baking Club

Miss McClurg recently started a Baking Club for S1 pupils. The club has proven to be very popular with the 20 available places being snapped up very quickly. Last week pupils were making cookies and Kirsty Reid in S6 who is helping with the club praised the pupils for their attention to detail and eagerness.

## Remembrance Assembly

The 11<sup>th</sup> of November 2018 marked the 100 year centenary since the end of the First World War. Castle Douglas High School pupils and staff came together last Friday to remember and thank those for their contribution to the war effort. In an assembly led by Heads of House Alex Livingston, Monica Ross and Isla Davies we paid thanks to everyone who made a contribution during 1914-1918.

The assembly finished with two pupils from each year group laying a wreath on behalf of their year group. A massive Poppy created by Miss Connelly and signed by hundreds of pupils and staff was then laid. Thank you to Mr Cathro's S3 History class who made the WW1 style graveyard for the assembly.

## Halloween Disco

On the 1<sup>st</sup> of November we held a disco for S1-S3 pupils and P7 pupils from our cluster Primaries. The disco was well attended over 150 pupils attending. S6 pupils were responsible for arranging the disco and their choice of music, games and refreshments were positively received.
