

Fashion Show

On Thursday 28th March, the Parent Council organised fashion took place in front of a very busy assembly hall. The evening began in excellent fashion with musical performances from pupils Niamh Carrol, Lindsay Thomson, Cameron Smith and Tyler Gilmore.

The evening then progressed to the eagerly awaited fashion show and the models did not disappoint. Ranging from pupils, members of staff and the local community all took to the catwalk to showcase the clothes on display from Wilkes. The models demonstrated a range of clothing and they certainly appreciated the audience participation.

Following the fashion show S1 and S2 School of Dance pupils took to the stage to perform some of the dances they have been working on this session. Every one of the dances received a massive round of applause at the end as once again the audience appreciated their efforts.

The final event of the evening was the well-stocked raffle and many people left happy with their prizes. Thank you to all the local companies who donated prizes.

The evening concluded with chair of the Parent Council Mrs Broatch thanking everyone that had contributed to a high successful evening.

On behalf of Castle Douglas High School can we echo her thanks as well as thanking the Parent Council for organising the event raising just over £1200. **More pictures will be on school website.**

Biology Workshop

Last week, regional sales manager for 'TIMSTAR' Lucienne visited the Higher Human Biology class and took the young people through the various steps of PCR; amplification of DNA. The class set up all the products they needed to use and were able to use the required scientific equipment for the process. Pupils commented that it was a brilliant opportunity that gave them an insight into the possible application of aspects of the Higher course to the job market.

Pupils also praised that the experience was interactive and engaging. The opportunity for class discussion and on-the-job problem solving made for a great learning experience.

Dates for your diary

Friday 5th April – Last day of term

Tuesday 23rd April – Pupils return to school

Thursday 25th April – SQA Exams begin

Monday 29th April – Study Leave begins

Tuesday 30th April – S2 Parents Evening
